

# RESOURCECODE

MARINE DATA TOOLBOX

**6 September 2021**  
**17.00 - 18.30 (BST)**

**Free event**

An interactive demonstration of an open source toolbox & hindcast wave dataset for the marine energy industry

## Register now

### Attend in person

European Wave & Tidal Energy Conference (EWTEC)

Rolle Building 018, Plymouth University

Email [carly.tait@emec.org.uk](mailto:carly.tait@emec.org.uk) to receive your FREE pass.

### Attend virtually

To attend virtually register via Zoom [now](#)

## About this event

Launch event for a new data set and toolbox for the marine energy industry. This new dataset and toolbox contains 27 years of data from the majority of western Europe and is entirely open access.

Within this workshop the team will demonstrate the capacity of the toolbox, as well as the value of the datasets.
