

# LAUNCH EVENT INVITATION

at International Conference on Ocean Energy (ICOE)

Custom Room, 1<sup>st</sup> Floor, Centre des Congrès

13.00 – 15.00, Wednesday 13<sup>th</sup> June

RSVP – [carly.tait@emec.org.uk](mailto:carly.tait@emec.org.uk) to book your space and to receive further information on the event.

**The MONITOR project is investigating the reliability of tidal energy converters (TECs), and will work with industry to develop tools to improve device reliability.**

**Input into the project is valued by the project consortium and we would like to invite you to the MONITOR launch.**
